FOOTBALL

Varsity

The 1981 Varsity *Chargers* football team had some great success. Their first two games were victories. The last home game of the season was a conference victory for the *Chargers*. This was the first conference win in three years. Head Coach Bob Chmiel has turned the *Charger* football program into a competitive team which we can expect much of.

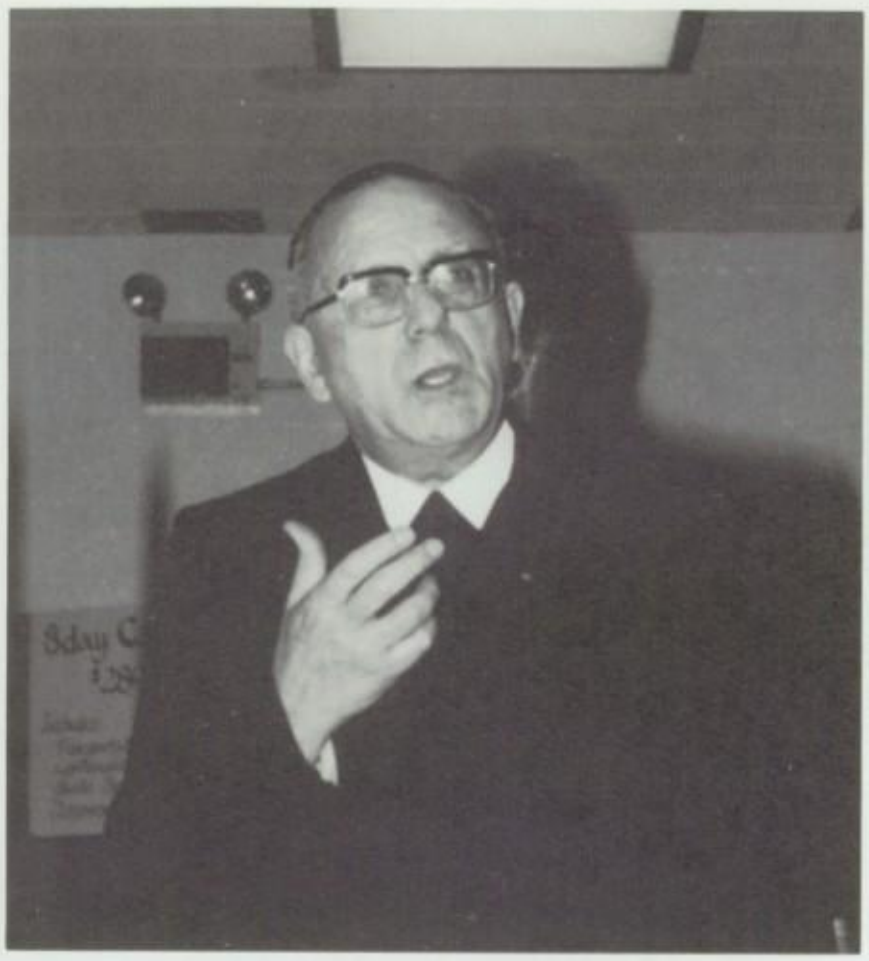
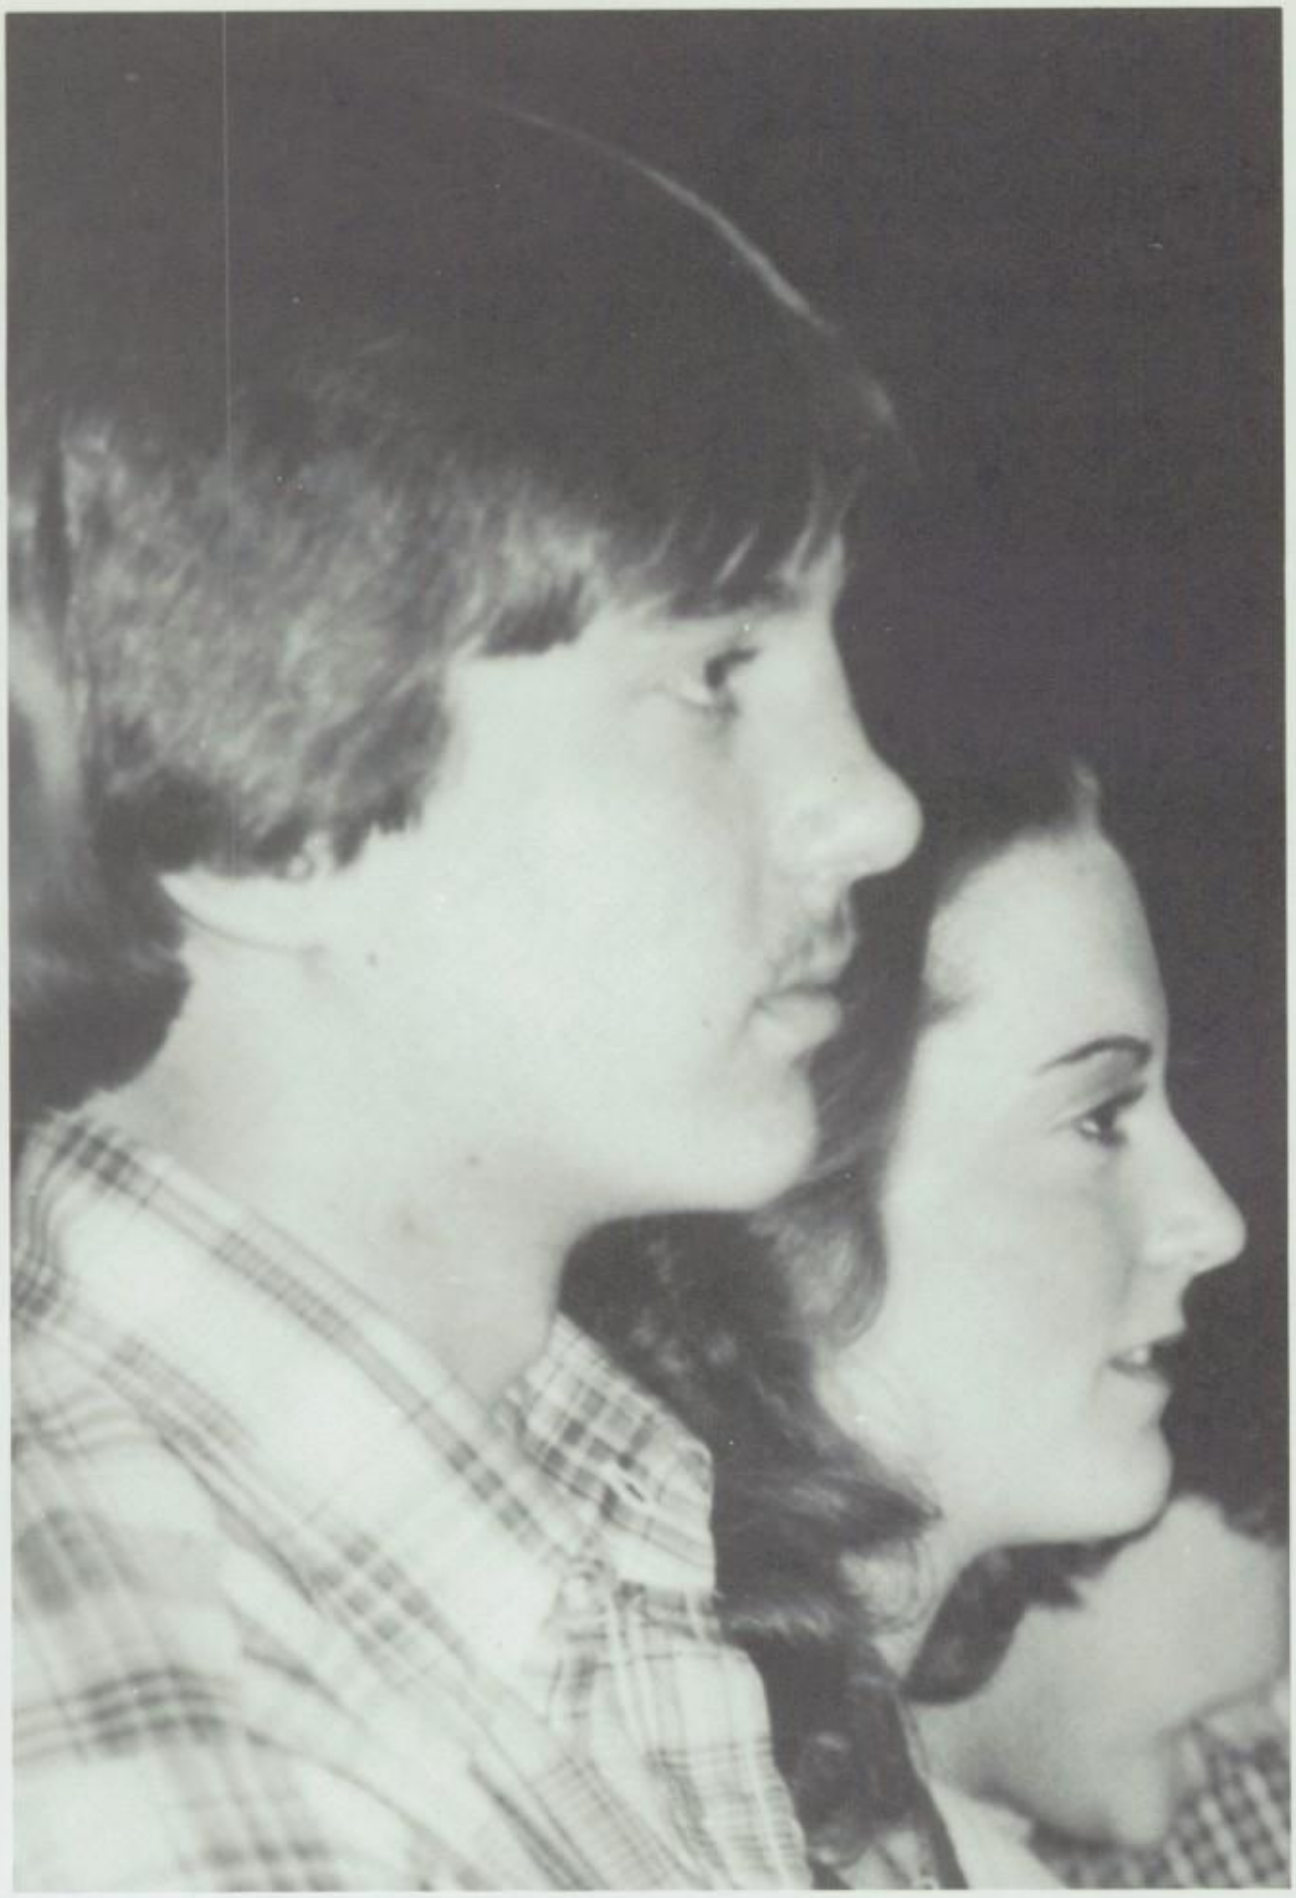
HAPPENINGS





HOMECOMING

This year's Homecoming was the Student Council's biggest success. The Hat and Button Day, the first event, went very well. Vice President Bob Gleason even succeeded in selling various buttons from years past. The next event was the teacher impersonation day. This event, something new for this year, was won by Joe Jechenthal's impersonation of everybody's favorite Mr. Gerald Fabis. On Wednesday we had the traditional Stooges films, a yearly favorite. It was still a big success even though the administration would not allow the teachers to bring their classes down to see the films. Needless to say ditching was at a daily high. The last two days of the week were ended by Pep Rallies. On Thursday we had the usual Wheelbarrow race, egg toss, and Rootbeer chugging. The Wheelbarrow race was won by seniors Paul Biocic and Pat Barrett. While the Rootbeer chugging was won by the underclassmen. The main event, the egg toss, was a tribute to the senior ingenuity. Pete D'Alesandro and Bob Gleason, with a hard boiled egg, triumphed over Mr. Loboyko and Mr. Nuccio. "After all they didn't say it had to be raw!" said Pete.

On Friday at the Pep Rally we were introduced to the Football and Soccer teams as well as the Queen's Court who were Rosanne Kozlowski, Kathy McGann, Sue Kalas, Terry Jujawa, Karen Grabacki, and Mary Tracy. Coach Chmiel made an excellent speech as he ripped apart a Pat's jersey.

Friday-night at the concert the Queen and King were revealed as Rosanne Kozlowski and Mike Liberto. The band was student Garry Pazdzior's Burnt Edges.

Even though we lost the football game the dance that night was a huge success. It was in the gym which was decorated for twelve hours beforehand. All in all the best week of the year.

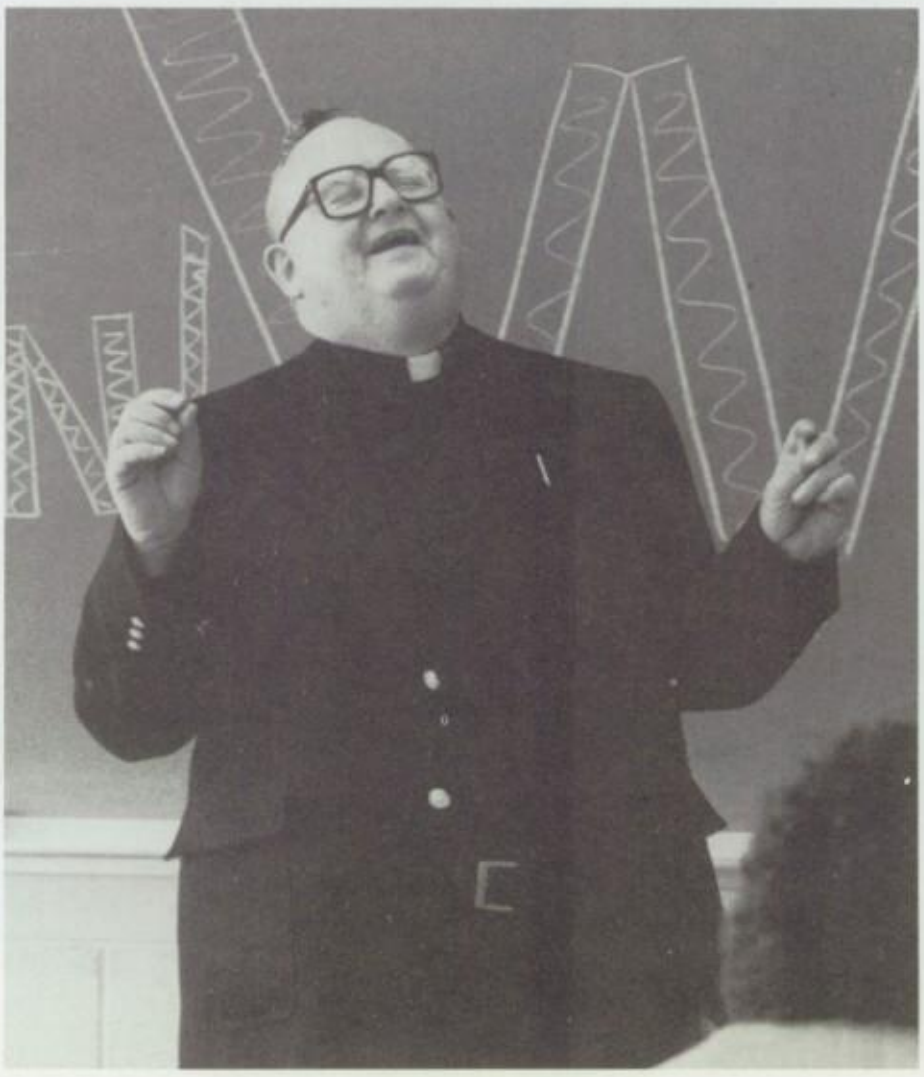
HOMECOMING

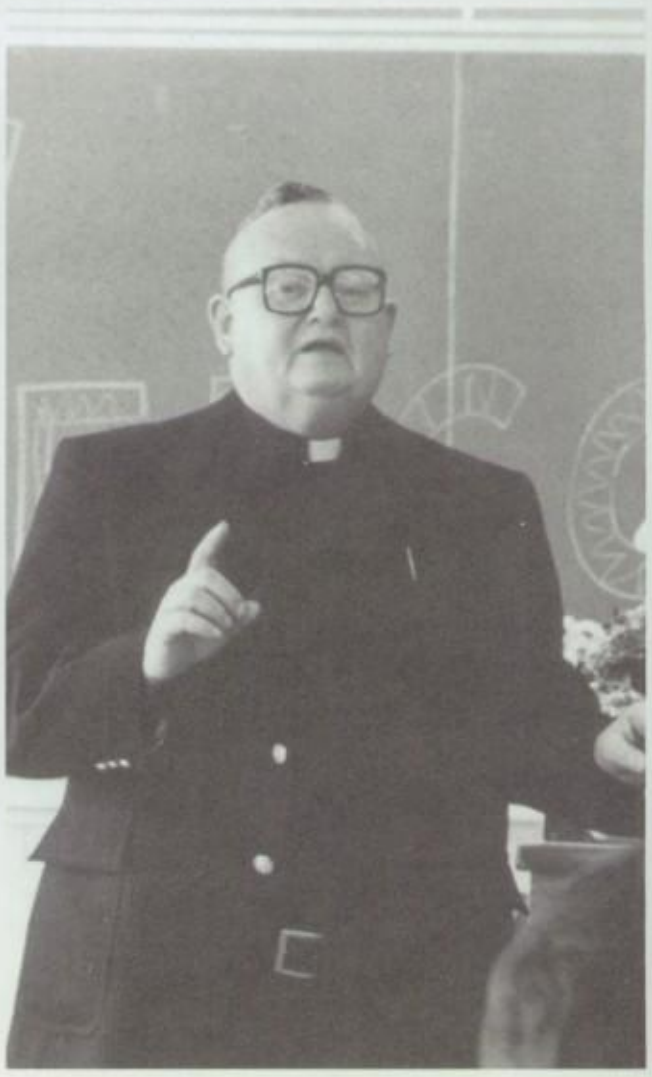
DEACON DAN

This year Mr. Connelly brought two events to our school. The first was Deacon Dan. A memorable event . . .

CHRISTMAS

At Christmas the St. Joseph-I.H.M. chorus presented a Christmas Cantata for our enjoyment.





CANTATA

Pictured below are John Vieceli and Rosanne Kozlowski with their child.

On the last day before the Christmas vacation began we had the St. Joseph-I.H.M. Christmas Mass. This is a new event started last year that has already become a favorite of both schools. It succeeds in combining the normally separate student bodies at one event. Special recognition has to be given to Joe Kren for his effort in coordinating the event.

Also at this time of the year the student councils of each school combine and have a food and fund drive for a poor city parish. Once again the charitable nature of both the schools has shown forth.

SENIOR PROM

"Best of Times"
(Styx)

Tonight's the night we'll make history
Honey you and I
And I'll take any risk
To tie back the hands of time
And stay with you here tonight

I know you feel these are the worst of times
I do believe it's true
When people lock their doors and hide inside
Rumor has it, it's the end of Paradise
But I know if the world just passed us by
Baby I know. I wouldn't have to cry
The best of times are when I'm alone with you
Some rain, Some shine

We'll make this a world for two
Our memories of yesterday
Will last a lifetime
We'll take the best, forget the rest
And some day we'll find
These are the best of times

The headlines read
These are the worst of times
I do believe it's true
I feel so helpless like a boat against the tide
I wish the summer wind could bring back Paradise
But I know
If the world turned upside down
Baby I know
You'd always be around

This year our Junior Prom was a great success; we had an outstanding turnout. Those who gave their hard work to make it a night to remember include Class Officers Joe Van Duerm, Al Kwak, Bill Jawien, Kevin O'Rourke, and many of their fellow students, including some from I.H.M.

So it was that on May 30th, Harbor Lights entertained a spirited group of juniors for a night of dancing and memorable times.

ANNIE GET YOUR GUN

This production of "Annie Get Your Gun" received enthusiastic reviews for all five sellout performances.

TRICENTENNIAL

The Christian Brothers commemorate 300 years of service to youth through education during a year-long celebration which officially began with the Feast of St. John Baptist De La Salle, May 15, 1980. Memorable events of the Tricentennial Year included a visit by the "Brothers In Concert," Brothers Vincent Malham and Laurence Walther. As part of their nation-wide tour, these two excellent pianists played for a receptive St. Joe audience at an in-school concert on September 8, 1980. The highlight of their Chicago tour included a concert at Orchestra Hall on September 13th.

On February 24, 1981, Brother Pablo Basterrechea, FSC, Superior General of the Christian Brothers and members of his staff visited St. Joes as part of his official visit to the North American Provinces of the Christian Brothers. Brother Pablo saw St. Joes in operation and was greatly impressed. He then shared his thoughts on Christian Education with the Faculty at a luncheon held in the school cafe. On February 25th, a Tricentennial Mass was held at Holy Name Cathedral in Chicago for the Christian Brothers, their families and friends, and faculty and employees of the Christian Brothers Schools of the Chicago Province. The Mass was followed by a reception and dinner at the Radisson Hotel, and included these distinguished guests: Most Reverend Alfred Abramowicz, Auxiliary Bishop of Chicago, representing His Eminence, John Cardinal Cody, the Honorable Jane M. Byrne, Mayor of Chicago, who declared February 25, 1981, as Christian Brothers Day in the Chicagoland Area, and the Honorable George Dunne, President of the Cook County Board.

With the support of their families and loyal friends, and with the grace of God, the work of the Christian Brothers will continue long into the future.

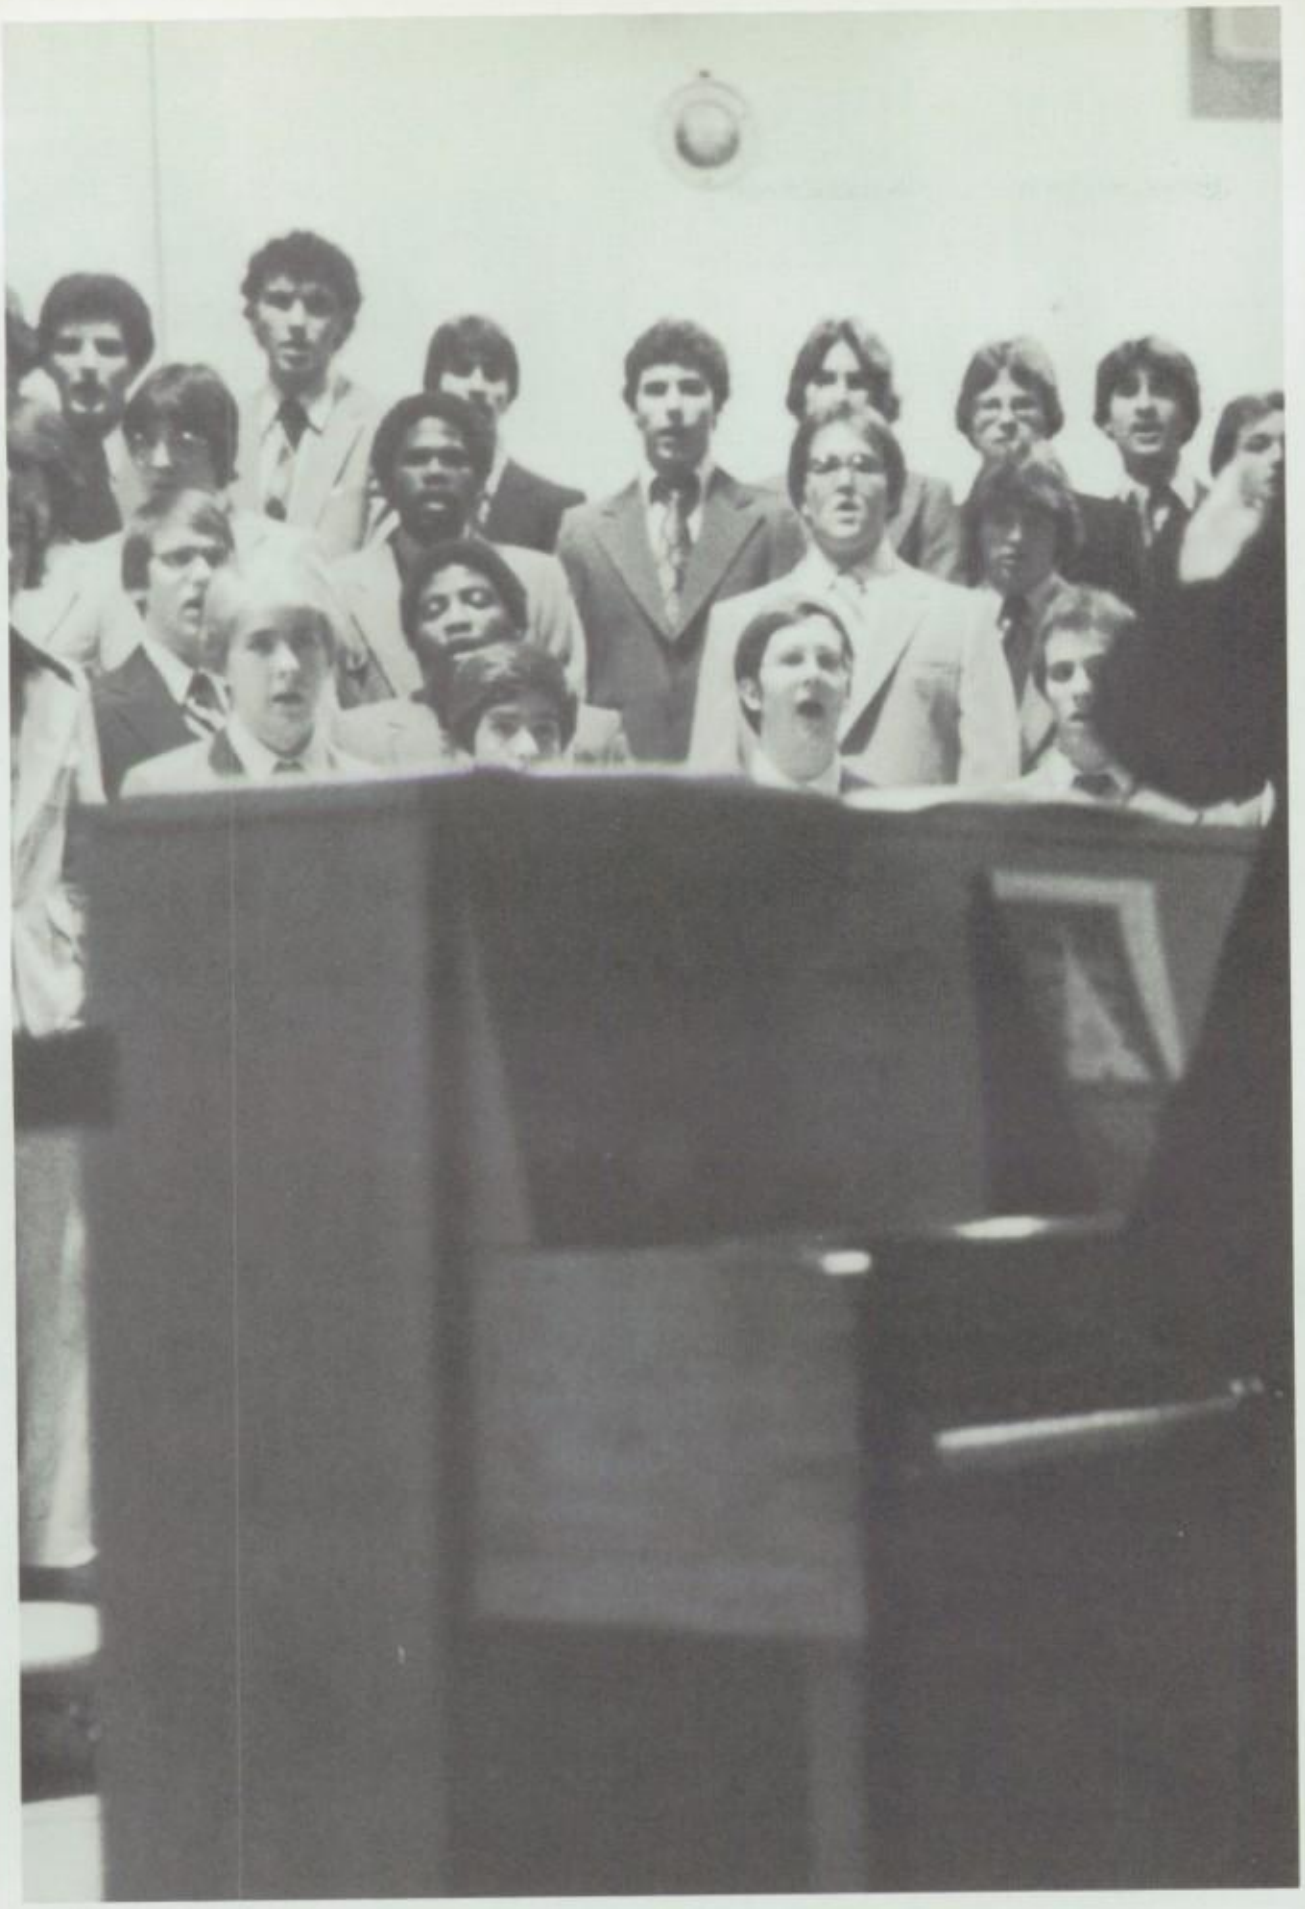
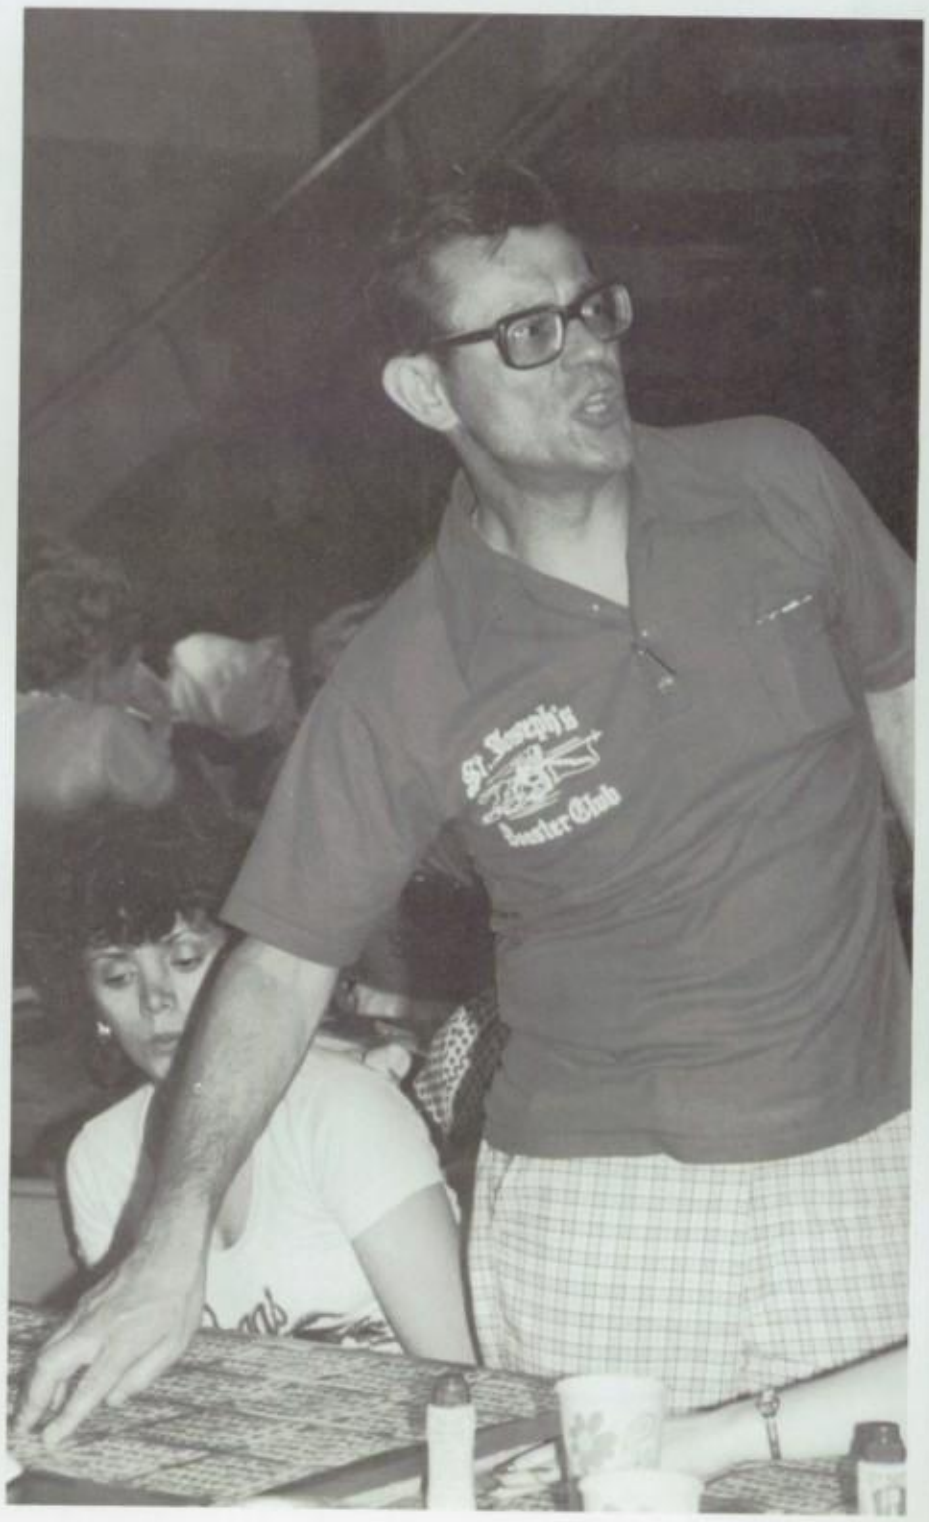
ORGANIZATIONS



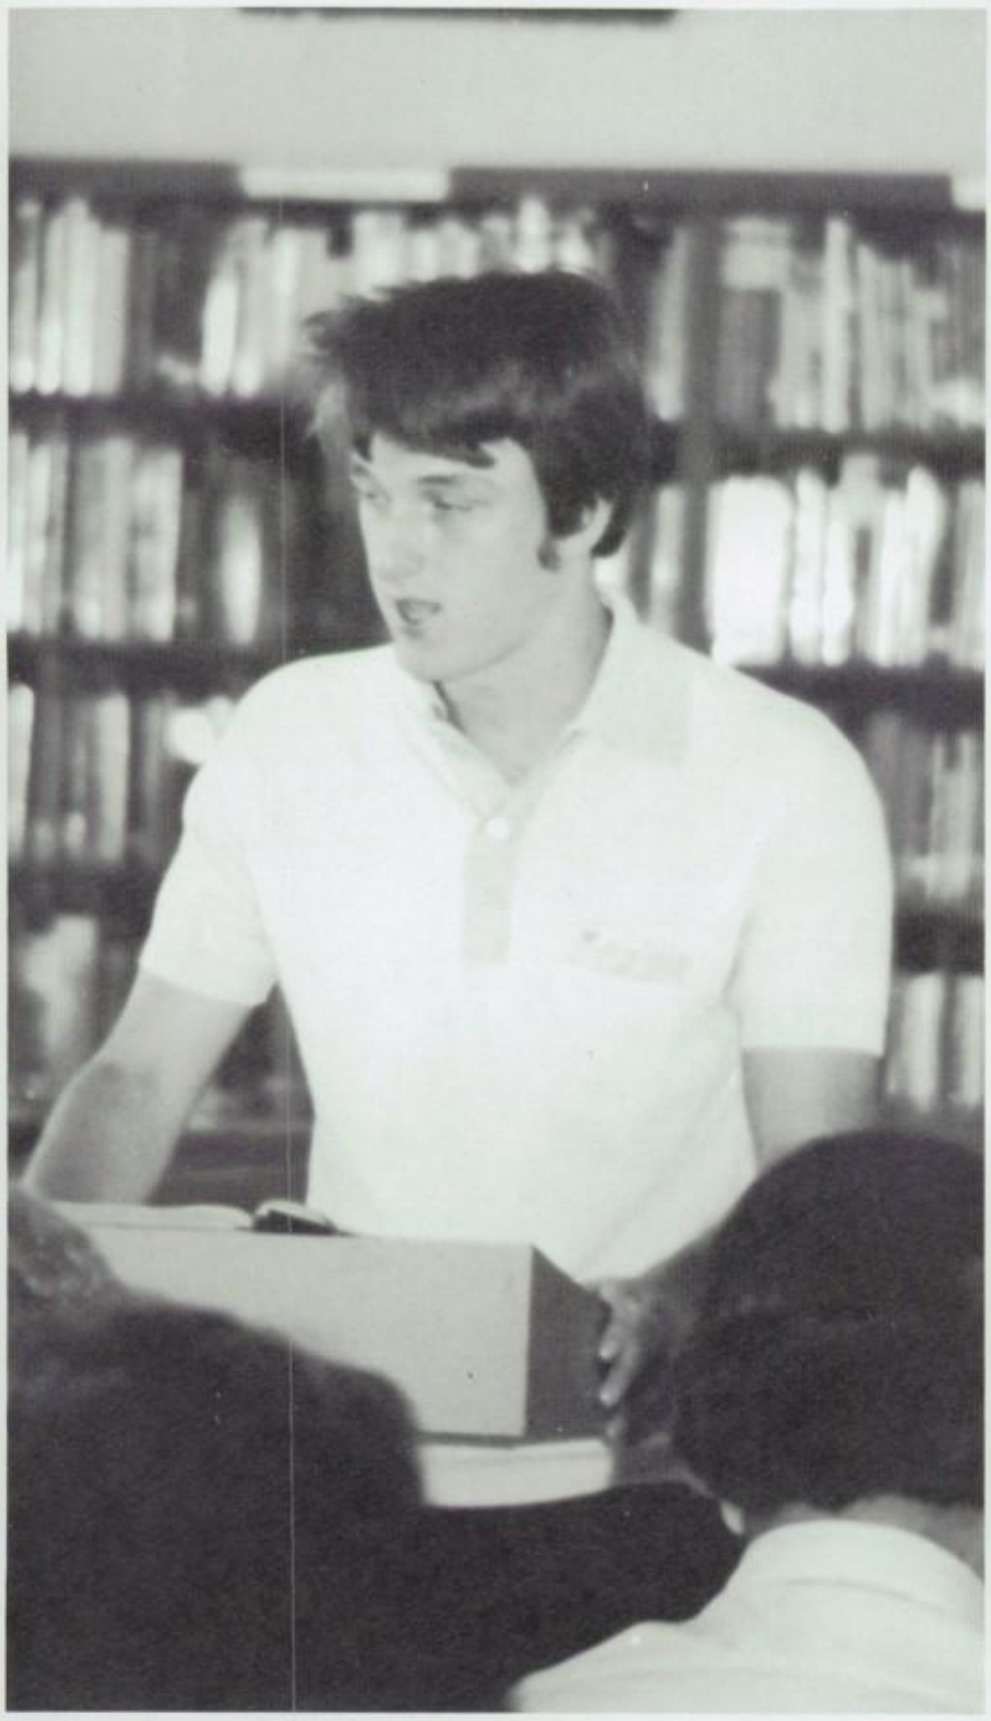
BOOSTERS

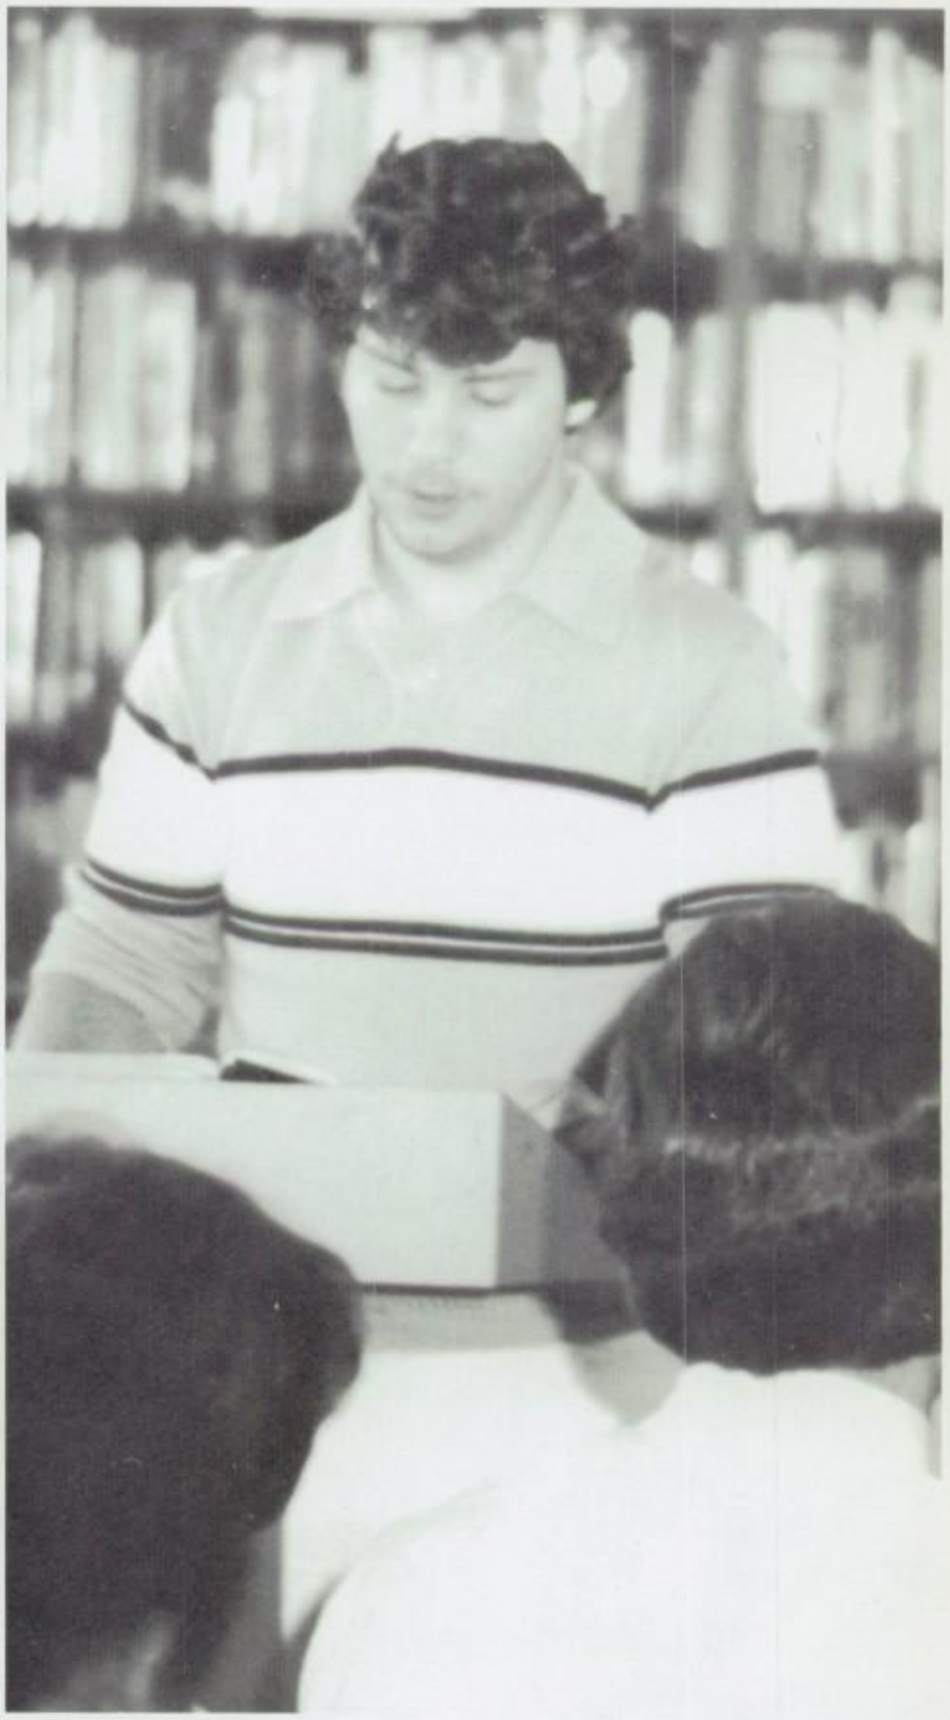
Without these two clubs the school could not meet their financial needs. Members of both clubs work at Bingo. Another fund raiser is the annual Waffle Breakfast.

P A R E N T S



Student Council





This year's Student Council was truly a unique organization. Under the *guidance* of Mr. Dick Melka they had a very productive and innovative year. The Student Council's sponsorship of the profitable Homecoming Dance made it the best Homecoming ever in St. Joseph history. Along with that was the biggest Christmas Drive yet. Although they had their problems this year's Student Council was one of the best.

Under the direction of Mr. Vincent Furman and Mr. Gregory Hamot the *Band* this year made steady improvements in performance at football and basketball games.

This Yearbook is a panorama of the year's events. Its title, Blazon, means to set apart, to celebrate and that's what I believe this yearbook is all about. I hope you find in it the memories of a good year at St. Joes.

I would also like to use this page to recognize and thank all those who worked so hard and so long in the production of this album. Jim Paral, whose blinding speed and amazing gourmet skills kept us alive over the summer. Emo Furfori, whose wit helped us through the long days. Joe Jechenthal, who both gave and needed help. Luis de Pasion IV, who will inherit my empire next year. Thanks goes to our foreign correspondents, Jim Romas in sunny Greece, and Jim Ceplecha on the rum soaked beaches of St. Vincents Island. Thanks also to Jeff Tobolski, Ed Kolar, Hugh O'Dowd, Rob Wilson and Andy Sotiropolis. Special thanks to Ken Nemsik our Taylor Representative, for his help and for not laughing.

Special Thanks to Bro. Al Wycislo, FSC for his continued support.
